D.O. No. Z15015/9/2018 - NHM I

Dated 29th June 2018

Dear Colleague,

I would like to bring to your kind notice that most States are yet to complete the selection of targeted number of candidates which is a pre-requisite for the enrolment of candidates for the IGNOU Certificate Programme in Community Health for the July 2018 session.

2. The issue has been discussed with IGNOU today and decision has been taken to extend the last date for the submission of admission forms of the candidates to **15th July 2018.**

3. Kindly monitor the enrolment process at your level, as it may not be possible to further extend the deadline.

4. Taking advantage of this extended timeline, the States which have completed the selection process and are currently unable to enrol the requisite numbers of candidates (targets as specified by the States earlier) for July 2018 session can now utilize this extended timeline to re-advertise and ensure submission of admission forms by July 15th 2018.

5. You are also requested to submit an update on the same as detailed in the annexure with this Ministry at (limatulayaden@yahoo.co.in and rakshita.mohfw@gmail.com) along with NHSRC at (shalini.singh.1903@gmail.com and shailey1007@gmail.com) at the earliest.

with kind regards,

Yours sincerely,

7
