D.O. No. O-11011/01/2014- NRHM II (Part)

Dated the 1st March, 2018

Dear colleague,

As you are aware, operationalization of Health & Wellness Centres (HWCs) is a key initiative for which your State has already completed training of January/July 2017 batches of Mid-Level Health Care Providers (MLHPs). However, it is learnt that these candidates are yet to be posted as Community Health Officers (CHOs)/MLHPs at identified HWCs for want of their final examination results from IGNOU.

In this regard, it is requested that the candidates who have undergone the training and attended the Term End Examination may be posted as CHOs/MLHPs at the identified HWCs provisionally, pending the final results. This posting may be reviewed suitably upon receipt of the final results of Term End Examinations from IGNOU.

with kind regards,

Yours Sincerely,

2/01/03/12/13

(Dr Manohar Agnani)
