National Health Systems Resource Centre (NHSRC), New Delhi on behalf of Ministry of Health & Family Welfare is seeking applications from qualified candidates for the above mentioned post purely on contractual basis.

Reporting to: Deputy Commissioner, Child Health and Nutrition, MoHFW

Roles and Responsibilities: To assist Child Health Division in implementation of Anemia Mukht Bharat Program under the National Health Mission (NHM) with respect to following thematic areas:

1. Provide technical assistance and programmatic support to the thematic areas for strengthening and implementation of Anemia Mukht Bharat Programme (AMB).
2. Provide technical inputs in development of background document briefs, proposal of rapid assessments, report finalisation in consultation with National Centre of Excellence and Advanced Research on Anemia (NCEAR-A), AIIMS Delhi
3. Conceptualise and convene rapid assessment for programme
4. Coordinate with National IEC Division at MoHFW to ensure continued visibility of the programme at available IEC medium
5. Analyse findings of rapid assessments, finalise reports and recommend changes in implementation strategy, if required
6. Identify and document innovative or best models of programme implementation, at both Global and National level
7. Liaise with convergent ministries, partner agencies, expert panels to convene technical consultations, meetings and dialogues
8. Coordinate with National Centre of Excellence and Advanced Research on Anemia (NCEAR-A), AIIMS Delhi for programme needs and subsequent work
9. Assist in appraisal of State PIPs pertaining to AMB
10. Support the Bi-annual review workshops based on AMB dashboard
11. Assess and understand forecasting, procurement, logistics & distribution and availability of AMB supplies (last mile delivery) at state.
12. Strengthen and find linkages of e-Aushadi and Drugs and Vaccines Distribution System (DVDMS) with Anemia Mukht Bharat to set up an effective supply forecasting, inventory management and monitoring system at the center and state
13. Assess barriers in procurement at state level and support states and National AMB-unit in establishing systems for central procurement of supplies.
14. Support the states in preparing district-wise supplies annual denominators related to AMB, across all target beneficiaries
15. Any other work assigned by the Supervisor within the Child Health and Nutrition framework outputs.

Eligibility:

1. MBBS with Public Health post graduate qualifications and 3+ years' work experience or Non MBBS (but with relevant degree BDS/BAMS/BHMS/AYUSH graduate/BSc Nursing) with Public Health post graduate qualification with 5+ years' work experience..
2. Preference will be given to candidates who have worked with NHM at National/State Level in Anemia control programmes.
3. Familiarity with the Indian health system, key stakeholders and relevant government policies/strategies particularly National Health Mission.
4. Excellent communication and presentation skills, analytical and interpersonal abilities, excellent oral and written communication skills in English.
5. Demonstrated ability to work in a multi-disciplinary team environment.
6. Demonstrated experience in implementing RCH program at field level
7. Computer proficiency with high level of familiarity with commonly used packages like MS Word, Excel, Power Point & Web surfing to search relevant data & documents.
8. Ability to handle a variety of assignments under pressure of deadlines.
9. Willingness to travel to states & districts to provide technical assistance & ability to work on different assignments simultaneously to meet the timelines for assignments.

10. Formal educational qualification and experience could be relaxed when there is published work of high quality or whenever there is work experience of specific relevance.

Age: Upper limit 50 years as on last date for receiving application and having sound health to undertake field visits.

Remuneration Range: Between Rs. 90,000/- to Rs. 1,50,000/- per month.

Location: New Delhi
