Subject: Approval of Proposals under Emergency COVID Response Package: Phase-II (ECRP-II) for the State of Haryana for implementation from 01.07.2021 to 31.03.2022 – reg.

Sir,

This is with reference to the proposals for ECRP-II for FY 2021-22 under COVID-19 Emergency Response and Health System Preparedness Package: Phase-II submitted by the State of Haryana vide letter No. NHM/DFA/ECRP-II/2021-22//3509 dated 5th August 2021 and subsequent updated proposal submitted vide letter No. NHM/DFA/ECRP-II/2021-22//3763 dated 12th August 2021 for an amount of Rs. 328.44 crore. Detailed appraisal of the proposal has been conducted on 06th August 2021.

2. The Resource Envelope of the State under COVID-19 Emergency Response and Health System Preparedness Package: Phase-II, as communicated to the State vide letter D.O. No.7 (32)/NHM-I/2021 dated 14th July 2021 is given below:

(Rs. in Crores)

| State | Central Share | Matching State Share | Resource Envelope under ECRP-II |
|---------|---------------|----------------------|---------------------------------|
| Haryana | 182.42 | 121.62 | 304.04 |

3. Against a Resource Envelope of **Rs. 304.04 Crore** (calculated with State Share of 40%) as conveyed vide Secretary (H&FW)'s letter dated 14th July 2021, approval of the competent authority is hereby conveyed to the State of Haryana for an amount of **Rs. 266.46 Crore** under COVID-19 Emergency Response and Health System Preparedness Package: Phase-II for implementation from 01.07.2021 to 31.03.2022 subject to the following conditions:-

3.1 All the conditionalities outlined under the Guidance Note for Emergency COVID Response Package-II (ECRP-II) dated 14th July 2021 are applicable to ECRP-II approvals for FY 21-22.

- 3.2 All the approved activities are to be completed well before 31st March 2022.
- 3.2 The State must ensure that the funds approved under ECRP-II are used ONLY for the activities indicated and under no circumstances, they should be utilized for any other activity.
- 3.3 Monthly financial report has to be submitted to MoHFW in the pre-defined FMR codes.
- 3.4 While the focus is on combating the current emergency, the larger goal of strengthening the Public Health system for epidemic preparedness should also be kept in mind while implementing the ECRP-II. Hence, such activities may be prioritized that not only facilitate effective COVID-19 response but also strengthen public health facilities to respond to any similar outbreaks in future.
- 3.5 Funds under ECRP-II would be released in instalments. In order to ensure implementation of critical activities at the State/District levels to prepare the public healthcare system in response to the evolving pandemic, 15% of the Central Share of Resource Envelope of the State/UT, has been released in-advance to the State on 22nd July 2021.
- 3.6 The State share, applicable as per NHM norms and as indicated in Table at Para 2 above, is to be released by the State at the earliest for effective completion of all the approved activities.
- 3.7 The funds under ECRP-II will flow from MoHFW to the State Treasury and from the State Treasury to the State Health Society (SHS). The SHS will also receive the corresponding State Share and then would spend the necessary funds as per detailed activities of ECRP-II approved and enclosed in Annexure-I. Because of urgency of the situation, it is expected that the State Government would transfer the funds under ECRP-II to SHS within 7 working days from the date of release of allocation from the Central Government.
- 3.8 The Department of Expenditure has concurred with the proposal of DoHFW by way of a special dispensation, granting exemption from O.M. F.No.1(13)/PFMS/FCD/2020 dated 23.03.2021 of Department of Expenditure till 31.03.2022 for implementation of the revised CSS procedure pertaining to release of funds under CSS in this ECRP Phase-II scheme, on the special ground of emergency COVID-19 related expenditure (copy enclosed). The State/UT may take note of the same.
- 3.9 The State must ensure that there is no duplication in the proposals sent for approval under ECRP-II with other schemes/initiatives of the Govt. of India & State Governments and a certificate to this effect must be provided by the State/UT, while submitting the Utilization Certificate of the first instalment. For receiving the next tranche of ECRP-II funds, following mandatory conditions would need to be ensured.
- a. The State must ensure physical and financial progress reporting in the NHM-Progress Monitoring System (IT-enabled Dashboard) on a monthly basis.
 - b. Timely updating of this dashboard is a mandatory criterion for release of next tranche of fund under ECRP-II.

- 3.10 Procurement Norms: The funds released under this package shall be utilized, duly following the mandatory conditions pertaining to procurement as mentioned below:-
- a. Efforts should be made to ensure that there is no duplication in procurement being done by various agencies at the State level.
 - b. All procurements should be undertaken through GeM using the resources under ECRP-II and this is a mandatory condition that the States/UTs would need to adhere to.
 - c. Wherever exceptions are to be made on this condition, the same can be taken up in exceptional circumstances, with the concurrence of AS&FA of MoHFW and after an appraisal of the State's proposal regarding the same and as assessment of the States capabilities to undertake this procurement through other robust mechanisms and institutions.
- 3.11 Monitoring and Reporting/ Dashboard: The State will send the progress reports on both physical and financial progress against the approved plan on monthly basis by 7th of each month (besides updating in the Portal being created for ECRP-II) to the Ministry of Health and Family Welfare, Govt. of India.
- 3.12 Audit: The general process of annual audit undertaken by the Chartered Accountant (CA) under NHM for its programmes will also be applicable to ECRP-II and the audit report should have a separate chapter on ECRP-II. The State must ensure that the conditions laid down in Funds Release Order(s) issued by MoHFW under the COVID Package-II should be complied with.
- 3.13 Human Resource: Under ECRP-II, support is available only for engagement of Human Resources for Health such as PG Residents, MBBS interns, MBBS final year students, final year nursing students and final year GNM students. Accordingly, approval has been given for engagement of PG Residents, MBBS interns, MBBS final year students, final year nursing students and final year GNM students in the dedicated budget lines (S-3.1 to S-3.5) for HRH as per State's proposal. Other than the HRH approved in the dedicated FMR codes (S-3.1 to S-3.5), no other HRH or salary for HR is permitted under ECRP-II. All the temporary posts approved under ECRP-II are only for a maximum period of 9 months (1st July 2021 to 31st March 2022). Engagement of this HR for this period does not entitle them to claim for continued employment through NHM resources. Approval given for engagement of specific HR such as UG Interns, PG Residents, Final MBBS, BSc Nursing and GNM Students may be utilized as and when required only.
- 3.14 Similarly, approval given for augmenting additional fleets of ambulances may be utilized for the periods of requirements only.

4. As per discussions held during the appraisal meeting, Emergency COVID Response Plan (ECRP) Phase
