Government of India
Ministry of Health & Family Welfare
(National Health Mission)

Nirman Bhawan, New Delhi
Dated: 13th August 2021

To

Mission Director (NHM),
Puducherry State Health Mission
2nd Floor Victor Simonal State World Maternity Hospital Complex,
Puducherry – 605001.

Subject: Approval of Proposals under Emergency COVID Response Package: Phase-II (ECRP-II) for the UT of Puducherry for implementation from 01.07.2021 to 31.03.2022 – reg.

Sir,

This is with reference to the proposals for ECRP-II for FY 2021-22 under COVID-19 Emergency Response and Health System Preparedness Package: Phase-II submitted by the UT of Puducherry vide letter No. PSHM/DAM/ECRP-II/2021-22/408 dated 26th July 2021 and subsequent updated proposal submitted vide letter No. PSHM/DAM/ECRP-II/2021-22/456 dated 04th August 2021 for an amount of Rs.9.03 crore. Detailed appraisal of the proposal has been conducted on 04th August 2021.

2. The Resource Envelope of the UT under COVID-19 Emergency Response and Health System Preparedness Package: Phase-II, as communicated to the UT vide letter D.O. No.7 (32)/NHM-I/2021 dated 14th July 2021 is given below:

(Rs. in Crores)

UT	Central Share	Matching UT Share	Resource Envelope under ECRP-II
Puducherry	5.42	3.61	9.03

3. Against a Resource Envelope of **Rs.9.03 Crore** (calculated with UT Share of 40%) as conveyed vide Secretary (H&FW)'s letter dated 14th July 2021, approval of the competent authority is hereby conveyed to the UT of Puducherry for an amount of **Rs.7.18 Crore** under COVID-19 Emergency Response and Health System Preparedness Package: Phase-II for implementation from 01.07.2021 to 31.03.2022 subject to the following conditions:-

- 3.1 All the conditionalities outlined under the Guidance Note for Emergency COVID Response Package-II (ECRP-II) dated 14th July 2021 are applicable to ECRP-II approvals for FY 21-22.
- 3.2 All the approved activities are to be completed well before 31st March 2022.
- 3.2 The UT must ensure that the funds approved under ECRP-II are used ONLY for the activities indicated and under no circumstances, they should be utilized for any other activity.
- 3.3 Monthly financial report has to be submitted to MoHFW in the pre-defined FMR codes.
- 3.4 While the focus is on combating the current emergency, the larger goal of strengthening the Public Health system for epidemic preparedness should also be kept in mind while implementing the ECRP-II. Hence, such activities may be prioritized that not only facilitate effective COVID-19 response but also strengthen public health facilities to respond to any similar outbreaks in future.
- 3.5 Funds under ECRP-II would be released in instalments. In order to ensure implementation of critical activities at the UT/District levels to prepare the public healthcare system in response to the evolving pandemic, 15% of the Central Share of Resource Envelope of the State/UT, has been released in-advance to the UT on 22nd July 2021.
- 3.6 The UT share, applicable as per NHM norms and as indicated in Table at Para 2 above, is to be released by the UT at the earliest for effective completion of all the approved activities.
- 3.7 The funds under ECRP-II will flow from MoHFW to the UT Treasury and from the UT Treasury to the State Health Society (SHS). The SHS will also receive

the corresponding UT Share and then would spend the necessary funds as per detailed activities of ECRP-II approved and enclosed in Annexure-I. Because of urgency of the situation, it is expected that the UT Government would transfer the funds under ECRP-II to SHS within 7 working days from the date of release of allocation from the Central Government.

3.8 The Department of Expenditure has concurred with the proposal of DoHFW by way of a special dispensation, granting exemption from O.M. F.No.1(13)/PFMS/FCD/2020 dated 23.03.2021 of Department of Expenditure till 31.03.2022 for implementation of the revised CSS procedure pertaining to release of funds under CSS in this ECRP Phase-II scheme, on the special ground of emergency COVID-19 related expenditure (copy enclosed). The State/UT may take note of the same.

3.9 The UT must ensure that there is no duplication in the proposals sent for approval under ECRP-II with other schemes/initiatives of the Govt. of India & UT Government and a certificate to this effect must be provided by the State/UT, while submitting the Utilization Certificate of the first instalment. For receiving the next tranche of ECRP-II funds, following mandatory conditions would need to be ensured.

- a. The UT must ensure physical and financial progress reporting in the NHM-Progress Monitoring System (IT-enabled Dashboard) on a monthly basis.
- b. Timely updating of this dashboard is a mandatory criterion for release of next tranche of fund under ECRP-II.

3.10 Procurement Norms: The funds released under this package shall be utilized, duly following the mandatory conditions pertaining to procurement as mentioned below:-

- a. Efforts should be made to ensure that there is no duplication in procurement being done by various agencies at the UT level.

- b. All procurements should be undertaken through GeM using the resources under ECRP-II and this is a mandatory condition that the States/UTs would need to adhere to.
 - c. Wherever exceptions are to be made on this condition, the same can be taken up in exceptional circumstances, with the concurrence of AS&FA of MoHFW and after an appraisal of the UT's proposal regarding the same and as assessment of the UT capabilities to undertake this procurement through other robust mechanisms and institutions.
- 3.11 Monitoring and Reporting/ Dashboard: The UT will send the progress reports on both physical and financial progress against the approved plan on monthly basis by 7th of each month (besides updating in the Portal being created for ECRP-II) to the Ministry of Health and Family Welfare, Govt. of India.
- 3.12 Audit: The general process of annual audit undertaken by the Chartered Accountant (CA) under NHM for its programmes will also be applicable to ECRP-II and the audit report should have a separate chapter on ECRP-II. The UT must ensure that the conditions laid down in Funds Release Order(s) issued by MoHFW under the COVID Package-II should be complied with.
- 3.13 Human Resource: Under ECRP-II, support is available only for engagement of Human Resources for Health such as PG Residents, MBBS interns, MBBS final year students, final year nursing students and final year GNM students. Accordingly, approval has been given for engagement of PG Residents, MBBS interns, MBBS final year students, final year nursing students and final year GNM students in the dedicated budget lines (S-3.1 to S-3.5) for HRH as per UT's proposal. Other than the HRH approved in the dedicated FMR codes (S-3.1 to S-3.5), no other HRH or salary for HR is permitted under ECRP-II. All the temporary posts approved under ECRP-II are only for a maximum period of 9 months (1st July 2021 to 31st March 2022). Engagement of this HR for

this period does not entitle them to claim for continued employment through NHM resources. Approval given for engagement of specific HR such as UG Interns, PG residents, Final MBBS, BSc Nursing and GNM Students may be utilized as and when required only.

3.15 Similarly, approval given for augmenting additional fleets of ambulances may be utilized for the periods of requirements only.

4. As per discussions held during the appraisal meeting, **Emergency COVID Response Plan (ECRP) Phase II: Summary Sheet** are given below:

(Rs. in lakhs)			
FMR	Activity / Item of expenditure	Budget Proposed	Budget Approved
	Grand Total	903.00	718.33
S.1	COVID essential Diagnostics and Drugs	212.50	212.50
S.1.1	Provision for RAT and RT-PCR tests	69.88	69.88
S.1.2	Lab Strengthening for RT-PCR (only for 327 District Public Health Labs / districts not having the RT-PCR Lab in public health system)	90.00	90.00
S.1.3	Essential drugs for COVID19 management	52.62	52.62
S.2	Ramping up Health Infrastructure with focus on Paediatric care units	690.50	505.83
S.2.1	Establishing dedicated Paediatric care units	489.40	304.73
S.2.2	Establishing Paediatric CoEs at Medical Colleges/ State Hospital/ Central Government Hospital	0.00	0.00
S.2.3	Establishing additional Beds by provision of Prefab Units closer to the community	0.00	0.00
S.2.4	ICU beds in public healthcare facilities including 20% paediatric ICU beds	101.10	101.10
S.2.5	Field Hospitals (50/ 100 bedded)	0.00	0.00
S.2.6	Referral transport	0.00	0.00
S.2.7	Support for Liquid Medical Oxygen (LMO) plant (with MGPS) including site preparedness and installation cost	100.00	100.00
S.3	Enhancement of Human Resources for Health	0.00	0.00

FMR	Activity / Item of expenditure	Budget Proposed	Budget Approved
S.3.1	Medical PG Interns	0.00	0.00
S.3.2	Medical UG Interns	0.00	0.00
S.3.3	Final year MBBS students	0.00	0.00
S.3.4	Final Year GNM Nursing students	0.00	0.00
S.3.5	Final Year B.Sc. Nursing students	0.00	0.00
S.4	IT Interventions - Hospital Management Information System and Tele-Consultations	0.00	0.00
S.4.1	Hospital Management Information System (HMIS)	0.00	0.00
S.4.2	Strengthening the Telemedicine/ Tele-consultation Hubs	0.00	0.00
S.8	Capacity Building and Training for ECRP II components	0.00	0.00

The detailed proposals and approval under Emergency COVID Response Plan (ECRP) Phase II of Puducherry are given at Annexure-I.

5. Outcome/Outputs

5.1 The minimum non-negotiable outputs of the ECRP-II for the UT shall be as under:

Outputs/Outcomes	Compliance by the State/UT
One Paediatric Unit in every district.	<p>The UT is implementing Paediatric Care units in 2 districts.</p> <p>(i) 42 bedded Paediatric Care Unit (30 bedded oxygen supported and 12 bedded Hybrid ICU Unit consist of 8 HDU Beds and 4 ICU beds) at District Hospital (RGGW&CH)] and</p> <p>(ii) 30 bedded oxygen supported Paediatric Care Unit at District Hospital, Karaikal</p> <ul style="list-style-type: none"> For other 2 districts (Mahe & Yanam) 6 ICU beds for Paediatric to be augmented by UT under ECRP-II. 3 beds each at District Hospitals Mahe & Yanam.
One Centre of Excellence for Paediatric per state.	JIPMER, the Centre Government Institution is already acting as a center of Excellence for

Outputs/Outcomes	Compliance by the State/UT
	Paediatric Care in the UT.
Functional Hospital Management Information System across all district hospitals.	In-House Hospital Management Information (HMIS) system is already available across all District Hospitals in the UT.
RT-PCR testing facility in public healthcare system in all the districts.	The UT has RT-PCR testing facility in public healthcare system in all 4 Districts of the UT (RT-PCR lab already available in 1 District (Puducherry), remaining 3 Districts under ECRP-II).
At least one LMO tank (with MGPS) in each district	The UT is establishing LMO tank in all 4 Districts. MGPS is already existing in all DHs.

5.2 The other detailed key deliverables for the UT for the various components of ECRP-II are given at Annexure-II.

6. Accordingly, approval of the competent authority is hereby conveyed to the UT of Puducherry for an amount of **Rs.7.18 Crore** under COVID-19 Emergency Response and Health System Preparedness Package: Phase-II for implementation from 01.07.2021 to 31.03.2022. The conditions mentioned supra, would need to be meticulously adhered to by the UT Government.

With sincere regards,

(Vidushi Chaturvedi)
Director (NHM-IV)
